

Counselor Welcome and Information

Welcome to the *“virtual”*
School Counselor’s Corner

We are here for YOU!

The mission of Heritage High School Counseling Department is to implement a comprehensive school counseling program that is relevant and engaging for all students. By providing individual counseling, classroom guidance, and small groups to deliver the NC standard course of study and address academic, career, and social/emotional student needs, school counselors will assist all students to graduate on time with their cohort and equip them with lifelong skills to be collaborative, creative, effective communicators, and critical thinkers.
